

Dear Interested Vendors and Service Providers,

Thank you for your interest in participating in our Appalachia StarSeed Reunion 2022 gathering!

Here are some more important details to consider:

- The cost of vending/providing services is included in the purchase of your full price ticket. There are no additional fees for vendors/healers. - We kindly request that you donate one item (minimum \$20 value) to our fundraising raffle. These funds are needed for our operating costs and allow us to keep our ticket prices low.
- We kindly request that you donate 10% of your proceeds to the StarSeed Reunion organizing group - HighVibeEvents, LLC; you may determine your rates and the amount of hours you want to work; some on-site private, indoor space is available per schedule sign up and you are also encouraged to provide services from your room or other outdoor area such as the vending area
- Those on scholarship will not be allowed to vend/provide service
- Since we are a small gathering with limited space for vending/service providers, we ask the you ensure your space is open and operational at a minimum of: Friday and Saturday 130 - 330 pm for our "Mid-day market" for vendors and during scheduled provider service times throughout the week-end for service providers (these will be assigned on a first-come, first serve basis so complete your application early).

- Tables, chairs, lights, tents, shelter, and all else must be provided by vendors/service providers and vendors/service providers only. There is no

electricity available in the vending field (outdoors) and limited electricity available in the service providers area (indoors).

- The private, indoor service providers areas (3) will be made available for limited hours only (approx 8-10 hours/provider for the week-end - subject to change). A schedule for signing up for spots will be made available asap.
